# **BRANGUS CATTLE SPECIAL RULES**

# **ELIGIBILITY AND INSPECTION OF EXHIBITS**

1. Animals must be registered in the International Brangus Breeders Association (IBBA) to be eligible to compete in IBBA-sponsored shows. The registration certificate (or photocopy) for each entry must be available for presentation to the Superintendent or show manager at the time entries are verified prior to judging.
2. The IBBA, and its representatives, have the authority to require such tests as they deem necessary to verify the accuracy of the classification and pedigree of exhibited Brangus animals. Said authority shall extend to, and cover the enforcement of, all show rules adopted by the IBBA.
3. The registration number, permanent animal identification number (brand or tattoo), birth date and sire of each animal entered in an individual class must be listed on the entry forms.
4. Animals eligible to be shown in group classes must be entered and shown in respective individual classes.
5. Prior to check-in, heads of breeding animals must be clipped of all hair (including topknots), and be free of scurs and/or slick spots.
6. Any animal found to have scurs and/or slick spots, or evidence of incision,

surgical or otherwise, in the following areas: head, testicles, sheath, navel, or dewlap, will be disqualified from showing. Any animal upon check-in, which does not have a legible tattoo and/or brand corresponding to its registration certificate is ineligible to show. Once disqualified due to an incorrect or illegible tattoo/brand, animals cannot be re-tattooed and rechecked at the show. The brand/tattoo can be corrected and rechecked at the next available show.

7. Any Brangus animal recorded in the IBBA Registry that has a "Parentage Dispute" listed in its first three-generation pedigree is ineligible for participation in Brangus shows and exhibitions. If the dispute is resolved, the listing will be removed from the pedigree and show eligibility will be restored.
8. In IBBA sanctioned shows, no animal may be shown that has been artificially filled with any amount of liquid at any time once the animal enters the grounds of a show. The fitter or ranch entity involved with an animal being artificially filled will be banned from the show ring for one year and the animal will be disqualified from exhibition at that particular show. The official show veterinarian may administer liquids orally, if so needed, without disqualifying animal(s) from exhibition.
9. No animal may be shown that has had any foreign objects glued to or otherwise attached in a manner so as to alter its conformation or change its appearance. Tail ties and hairnets used on the tail and switch are the only exception.
10. Entries that have not complied with all the above rules will not be eligible to show, to receive premium monies or to earn points in the IBBA's Show Sire of the Year, Show Bull of the year, and Show Heifer of the Year awards.
11. All IBBA and IJBBA members will abide by the show rules as adopted. In addition, any show, fair, event or display in which Brangus cattle participate should comply with these rules as adopted by IBBA. All Brangus entries are subject to the provision of an IBBA rule entitled "Inspection of Exhibits".
12. If an animal sells at public auction, the sale date becomes the date of ownership of that animal.
